

## Meet the Instructor

Dell Gross discovered an interest in Photography while studying at the University of Minnesota. He changed his college major and graduated with a degree in fine arts. He moved to Santa Barbara, CA and attended the Brooks Institute of Photography. Although he began there in Illustrative Photography, he ended up graduating with a degree in filmmaking. After graduation he worked on movies in Seattle, Washington and Hawaii before returning to Minnesota to marry and raise a family.

Dell built a studio in his home in Pine City after several years of commuting to Minneapolis. After 49 years, Gross Productions has served Pine City and the greater Minnesota area by photographing weddings, students, portraits, other illustrative photography and producing videos for the community.

Video productions include: *Derby Fever*, *The Movie*, *The Almelund Threshing Show*, *Pine City Jail Orientation*, *Pine Ridge Little House Project*, and many more!
