

**ARP Base Award**

**Pine Technical &  
Community College**

Dear student name,

We know that students continue to be greatly impacted by the COVID-19 virus and we're working hard to connect students with the supports and resources needed to be successful. PTCC is excited to announce the availability of American Rescue Planning Act (ARPA). The ARPA emergency funds are being awarded to students who are enrolled Fall 2021.

According to our records, you are registered for Fall 2021, meet the ARPA eligibility criteria and are eligible to receive **\$grant amount** in emergency funds. Later this week or early next week, funds will be disbursed automatically to your PTCC student account and then released to your selected refund preference (direct deposit or BankMobile). If you need to make changes to your refund preference or have questions on how to select a refund preference, please visit the PTCC BankMobile site.

Please feel free to contact me with any questions or concerns.
